

21 May 1963

MEMORANDUM FOR: Chief, Technical Services Division

SUBJECT: TSD Development of [REDACTED] Items

25X1C

1. On 15 January, the Technical Requirements Board met and approved preliminary research and feasibility studies to be made by TSD on:

- a.
- b.
- c.
- d.

25X1C

2. On Item "a" above, no reporting period was determined, but in Item "b" the estimated time of delivery of a prototype was six months, and on items "c" and "d" it was estimated feasibility studies would be ready in a matter of three months. It is requested that the MB/SOD be informed of progress on the above items.
